Co-sponsored by: Skyline at First Hill, Alzheimer's Association,
Kawabe House, SHAG, Elderwise, and Aging Services of WA

Learn a variety of approaches and hands-on exercises that will help you (for any senior housing project at any stage in its development):

- Build or strengthen community within and outside the building
- Increase accountability
- Reduce management costs
- Create a healthier environment for residents

Presenter: Charles Durrett, McCamant & Durrett Architects, is the leading North American expert on cohousing and has designed over fifty cohousing communities through the U.S. and Canada. Charles and his wife, Katie McCamant, introduced cohousing to North America with their book *Cohousing: A Contemporary Approach to Housing Ourselves*. He followed with *Senior Cohousing: A Community Approach to Independent Living*.
